

Dear FUMC Family,

My name is *Jennifer Carle*, and I will be traveling to Ghana, Africa on February 17, 2012 until February 29, 2012. I will be traveling with the New York Annual Conference Youth Ambassador's in Mission (YAM) team. This team consists of two youth from each district of our conference. On this mission trip, we will finish building the secondary school in the Winneba village. This school was initially built by another group of Methodist missionaries, but they were unable to complete it, so the YAM's were given the task to finish it. Along with the construction work, we will be working, teaching, and playing with the children of the village.

When I learned about the YAM mission trips four years ago, I knew that I had to go. Now that I am finally of the required age, I am asking you, my FUMC family, for your support through prayers and monetary donations.

The cost has been something that has concerned me for a while now, and I've been praying that it will work out. Without your support, I will not be able to go. I thank you in advance, and God bless.

Sincerely,

Jennifer Carle
